1. Medical Expenses claims are subject to an excess of €100 of the total expenses incurred whichever is the greater (unless stated otherwise overleaf) and also include physiotherapy certified by a doctor up to a limit of €250 per player per year. Medical Expenses are payable for 12 months from the date of the first treatment and are irrecoverable expenses only, therefore if a player holds VHI or similar health insurance then they must pursue a claim under that policy first.
2. Cover for emergency dental treatment to a limit of €500, attendance at dentist must be within 48 hours of accident.
3. All claims must be dealt with through the designated person in the Club and **must be notified within 30 days**. A written explanation is required from the Club Secretary/Club Official where the claim is reported later than this. Please note that **any claim notified more than 60 days after the date of the injury will not be covered by the policy.** Please ensure the fully completed claim form and any accompanying documentation is returned to Arachas promptly, this will allow us to make any interim payments as appropriate. Please note **we are unable to process a claim where any documentation is incomplete or outstanding.**
