Personal Accident Facility

Summary of Cover

1st of August 2026 to 31st of July 2027

*** Please refer to Policy Document for full details of cover including all terms and conditions applicable**

Personal Accident Cover:

What is personal accident insurance?

Personal Accident Insurance covers all registered and approved Players of the DDSL, for a range of benefits payable in the event of an Accidental Death or Bodily injury whilst playing football, training and travelling for the DDSL and their club activities within the DDSL

Who are the insured persons under this policy?

This policy covers all Dublin & District Schoolboy/girls League Players who are registered and paid up. No cover is provided for anyone, if they are not registered or approved and paid with DDSL at the time of an accident. Cover only applies from the date of registration/purchase of cover on the DDSL's player on line system. All players must be allocated to a team panel at all times.

What activities are covered?

As stated, this policy provides cover for registered or approved, paid up players while participating in any official training sessions or games sponsored, organised or supervised by DDSL and their clubs including approved friendlies, matches abroad and inter-league competitions.

Who is my insurer?

Aviva Insurance Ireland DAC. Arachas act as your broker for the purpose of this policy.
